Academic Books and Journals Advancing Scholarship in the Humanities and Social Sciences

Project MUSE is the trusted source for the highest quality books and journals in the humanities and social sciences from many of the world's leading university presses and scholarly societies, with over 200 publishers currently participating.

Built on the Johns Hopkins University campus, MUSE journals support a wide array of research needs at academic, public, special, and school libraries worldwide. Project MUSE books offer DRM-free access to 50,000+ full-text scholarly books. MUSE journal and book collections are designed to meet the curriculum needs and budget of any size or type of library.

MUSE JOURNAL AND BOOK COLLECTIONS OFFER:

- 100% full-text
- Unlimited simultaneous users
- 100% scholarly content
- No DRM
- Unlimited printing and downloading
- Mobile accessibility
- No embargoes on content
- KBART phase II compliance
- Free MARC records
- Stability – once journals and books go online, they stay online in MUSE

SUBSCRIPTION AND PURCHASE OPTIONS:

- Affordable tiered pricing
- Consortium plans available
- Search journals and books on the same platform
- COUNTER compliant usage statistics
- Select books and journals are also available for single purchase/subscription
