

HIGH SCHOOL Book Collection SUBSCRIPTION

INTERACTIVE PDF

Teaching and learning have been fundamentally impacted by the COVID-19 pandemic.

As schools adjust to online, remote educational environments, the new **Project MUSE Book Collection Subscription** helps meet a critical demand for more reliable, trusted digital content.

The subscription provides access to over 70,000 online humanities and social science books and over 700 journals from major university presses and scholarly publishers at a specially-discounted price, and supports a wide range of immediate needs for class use and student research.

How do high school libraries benefit from Project MUSE?

- ◇ *Multidisciplinary content essential for schools teaching Advanced Placement (AP) courses or offering and International Baccalaureate (IB) programs*
- ◇ *Term Paper Research*
- ◇ *Information literacy instructions*
- ◇ *Continuing education for teachers and librarians*

HIGH SCHOOL Book Collection SUBSCRIPTION

New e-books are periodically added to the collection as they are released throughout the year. In combination with our **comprehensive journals subscription collection** for schools, the new book subscription collection provides school libraries with a rich resource for students to explore both current and timeless topics, and for teachers to meet their curricular needs.
