

HIGH SCHOOL Book Collection SUBSCRIPTION

INTERACTIVE PDF 

Teaching and learning have been fundamentally impacted by the COVID-19 pandemic.

As schools adjust to online, remote educational environments, the new **Project MUSE Book Collection Subscription** helps meet a critical demand for more reliable, trusted digital content.

The subscription provides access to over 60,000 online humanities and social science titles from major university presses and scholarly publishers at a specially-discounted price, and supports a wide range of immediate needs for class use and student research.

How do high school libraries benefit from Project MUSE?

- ◇ *Multidisciplinary content essential for schools teaching Advanced Placement (AP) courses or offering and International Baccalaureate (IB) programs*
- ◇ *Term Paper Research*
- ◇ *Information literacy instructions*
- ◇ *Continuing education for teachers and librarians*

HIGH SCHOOL Book Collection SUBSCRIPTION

New e-books are periodically added to the collection as they are released throughout the year. In combination with our **comprehensive journals subscription collection** for schools, the new book subscription collection provides school libraries with a rich resource for students to explore both current and timeless topics, and for teachers to meet their curricular needs.
