Over **5,500** Free to Read
Open Access Books

Search for Subscription Content

Even if not affiliated with an academic institution, you can still search for paid/subscribed content.

- Search for authors, titles, topics
- Read the Table of Contents of books and journals
- Email citations to yourself — then request full text through your public library's Inter-Library Loan service (ILL)
- Open a [MyMUSE Account](#)

Other Ways to Access Content

- **Contact your alumni association or library** at your alma mater to inquire about access
- **Purchase articles and issues** from selected journals
- **Purchase an individual journal subscription** directly from publishers. The publishers listed below offer journal subscriptions to individuals. Inquire directly to see if you're eligible to get access via a society or by purchasing an individual subscription.

American School of Classical Studies at Athens
The Catholic University of America Press
Indiana University Press
Johns Hopkins University Press
The Ohio State University Press
University of Hawai'i Press
University of Pennsylvania Press
University Press of Florida

About Project MUSE

Project MUSE collaborates with hundreds of mission-driven publishers to curate quality scholarship in the humanities and social sciences. We make this groundbreaking scholarship available to libraries, so people can use it to unearth discoveries of their own.
