## The 19th Amendment

A selection of scholarship from Project MUSE publishers on the women's suffrage movement in the United States and how the struggle for political equality continues.

As we celebrate the 100<sup>th</sup> anniversary of women's right to vote in the United States, we also must acknowledge that the 19<sup>th</sup> Amendment's passage was just one victory in a much larger and ongoing political struggle for women and other marginalized peoples demanding their democratic rights. "MUSE in Focus: Commemorating the 19<sup>th</sup> Amendment" is a curated selection of content from Project MUSE's publishing partners and offers a broad range of perspectives about the history of the women's suffrage movement in the US and its continued relevance to the ongoing struggle for true democracy around the globe.
